Position Summary:

Make a difference for low-income Montanans and learn about the legal system as a member of Justice for Montanans serving with the Montana Supreme Court's Self-Help Law Centers. Service members provide one-on-one, virtual, and telephonic assistance to clients by providing clients with legal information and the appropriate paperwork to better navigate Montana's court systems. Serving the public directly, members ensure that customers have accurate and complete paperwork to represent themselves in non-criminal, civil legal matters. The member may be required to travel to additional sites within their service city and neighboring counties to provide in-person assistance to clients that cannot travel to their centers. The member does not provide legal advice but only legal information to the customers. Members work one-on-one with people who will be representing themselves in court to make sure they have accurate and complete paperwork and have a better chance to navigate the court system. Additionally, members will refer clients to legal services and pro bono programs, as well as to relevant community agencies that can assist. The supervisor for this position is the Court Help Program Administrator or center staff member, if applicable.
